Disclosure Manual - Crown Prosecution Service
The criminal law sets out the definitions of criminal offences and the rules and procedures that apply when the police investigate an offence they allege you have committed; when the prosecuting authorities charge you; and when you must appear in a criminal court. If you admit the offence or are found guilty, the court will impose a punishment on you, ranging from fines, community orders and imprisonment.

*Criminal law | The Law Society*
Both criminal and civil law apply to workplace health and safety. They’re not the same. As an employer, you must protect your workers and others from getting hurt or ill through work. If you don’t: a regulator such as the Health and Safety Executive (HSE) or local authority may take action against you under criminal law;

*Health and safety at work: criminal and civil law - HSE*
Criminal law, the body of law that defines criminal offenses, regulates the apprehension, charging, and trial of suspected persons, and fixes penalties and modes of treatment applicable to convicted offenders. Criminal law is only one of the devices by which organized societies protect the security of individual interests and ensure the survival of the group.
